

## We provide services beyond the city limits.

The TELERGEE Alliance is a network of 6 CPA firms who know utilities. All Telergee member firms have professionals who are specialists in issues affecting telephone utilities like yours. TELERGEE has member firms located throughout the United States to represent the needs of telcos in any location, no matter how rural. For more information contact your region's member firm or visit our website, [www.telergree.com](http://www.telergree.com).
